2016 Legal Issues for Healthcare Security Professionals

Join us in **Charlestown at Massachusetts General Hospital on Tuesday, MAY 10** for our seminar on critical legal issues for sworn and unsworn hospital officers and supervisors. The course is taught by Attorney John Sofis Scheft – former prosecutor and defense attorney, who has been training police officers for over 25 years in Massachusetts.

Course highlights . . .

Jurisdiction

- G.L. c. 22C, § 63
- *Smeaton & Young* application
- Comparison of sworn vs. unsworn authority and the *Leone* test

John Sofis Scheft, Esq.

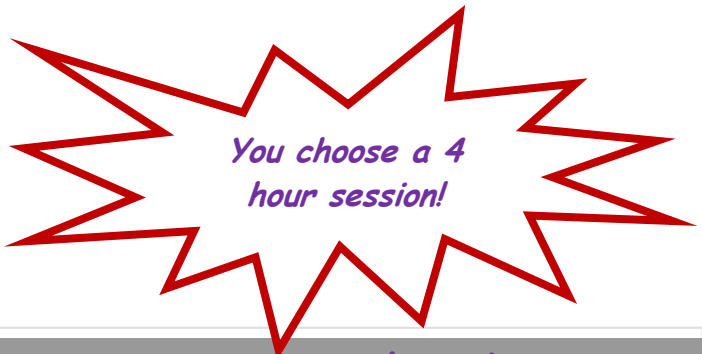

Healthcare Procedure

- “Patient watch” and G.L. c. 123, § 12 and § 35 Commitment
- EMTALA’s impact on police responses to trespass and disorder issues

Criminal Law & Procedure

- Trespass — essential ingredient in public safety
 - Proper notice
 - Liability and written trespass warnings
 - Special healthcare laws
- Cell phone searches & videotaping of police
- Assaults in healthcare settings
- Patient & room searches

\$50 per officer -- includes course manual & refreshments.
